- Rugged Drive Track and Belt Combination
- Durable Pulley and Tensioner Drive-Train
- Dual-Drive Wheeltube (Floor Turning / Remote Control)
- Stainless Steel Axle (Solid 1/2", 316 Steel)
- 3" Outside Tracking Wheels

Description

The most durable automatic cleaner with 4-direction Remote Control for pools up to 120 feet long in a compact size. Its high-filtration vacuum power and large filter capacity are surrounded by a new large body design focused on maximum durability, quicker cleaning and agility. Factory programmed to automatically vacuum and scrub the pool floor with onboard Brushes, self-contained Filter Bag, Pumps and Drive Motors. Four-direction Radio Remote Control to manually change direction easily. User can change the cleaner's automatic program to include wall-cleaning or add a 1 hour cleaning cycle delay. Stay-Cool Power Supply with low voltage transformer and 4 button Radio Remote Control included. Digital Display to adjust the cycle for 1-7 hours or Continuous Run to meet exact cleaning needs. 2 year warranty.

Included Equipment

- DuraMAX Duo Jr cleaner** - Weighs 41 lbs / 120' Cable / ETL certified.
- Stay-Cool Power Supply** - 3-Pin Female Socket / ON/OFF switch / Digital Display Low Voltage / 3-prong plug for standard 110 Volt GFI outlet / ETL certified.
- UltraKart Jr.** - Durable caddy for easily transporting the cleaner and its equipment.
- Radio Remote Control** - 4 Button remote control: FORWARD / BACKWARD button to reverse direction. LEFT and RIGHT buttons for dual-drive turning. PROGRAM button for 1 hour Delay or Wall-cleaning mode.
- DeepClean™ Super Brushes** - designed for any pool surface, even smooth surfaces like Tile, Vinyl, Fiberglass, Steel, Epoxy or Painted concrete.
- Beach Boy Air Sensor** - Detects Zero-Depth water level like Beach Entry pools.

Optional Add-Ons

- Extra Long Cable Assembly** - Add 30 feet of length to the Cable for 150 feet.
- InfraRed Sensor** - Detects obstacles or walls standing 5 inches or less from floor.
- Raised InfraRed Sensor** - Detects obstacles, like hanging bulkheads, that rest 13 inches or less over the pool floor.

InfraRed Sensors make the cleaner a floor-only automatic cleaner
